

Week 38 NEWSLETTER 14th July 2017

Acre Heads Primary School

"A place to nourish thinking minds"

This Week

- **Whole school** – Reverend Wilcox came to do assembly. Y5 children took their 'Bikeability' tests. The staff and FOAH got ready for the Y6 Sleepover (sleep?! That's a laugh!) Mrs Crossley had a big birthday. And – a special announcement – the school was assessed (grilled and interrogated!) for the **Dyslexia Mark** and we passed with flying colours – huge congratulations to every member of staff and the parents and Governors who were also grilled by the Inspector. Massive thanks to Mrs Radge and Mrs Jackson for leading us through it.
- **FS** – Observed their sunflowers' progress and took them home to plant. Painted insects for their garden. All helped to celebrate Mrs Crossley's 60th birthday today!
- **Drewton** – Fantastic Family Tree work.
- **Sugarloaf** – Repeating patterns with shapes. Finishing superhero comics, Y1 sports afternoon and making junk castles.
- **Sandholme** – Creating bar charts and pictograms outside using chalk to display collected data.
- **Barmby** – Wrote letter to their Indian Pen Pals, created 'Taj Mahal' pictures and used different scales to measure.
- **Carlton** – Trip to Fantastic Hull, two maths tests, one science test, making information sheet about Hull topic. Finished historical story about Hull.
- **Gowdall** – A fantastic trip to the Hull museums, going back in time on a tour of the High Street and handling real artefacts from the past. Super behaviour, commented on by the museum staff.
- **Drax** – Studied and wrote their own Viking kennings and then recited them while holding the Viking Longships they had made. In PSHE they learned to appreciate where we spend our money and how to run a budget and be enterprising.
- **Smeaton** – Viking kennings and Longboat models.
- **Hensall** – ICT creating a database to enable you to search for your perfect pet. Creating headdresses for upcoming Carnival Day.
- **Upton** – Creating Rio Carnival head dresses. Directing and producing LEGO movies using IMovie.
- **Cudworth** – Using persuasive language when writing about a healthy diet. Enjoying the limelight on stage performing and singing like superstars.
- **Hemsworth** – Y6 production. Persuasive writing about healthy eating. Letter to the Health Minister and posters.

Phew! What a busy 'from Brazil to India, to Hull and back' kind of school.

Well done!</p> <p>We rely on teamwork and a notion of responsibility to our community as well as a sense of restoration to ensure that children do not let their classes down with poor behaviour choices. Good behaviour is rewarded to both individuals and classes.</p>
---	---	---

Mrs R would like to say a huge thanks to:
 All the Y3 children who went to the Hull museums on their trip and behaved impeccably. The Year 6 children and staff who put on such spectacular performances of 'Aladdin Trouble' and wowed the audiences with their amazing talents. The children who were so sensible and hardworking during their 'bikeability' training this week and the parents and carers who are using the school website and Twitter accounts to find out what's going on and download documents – apparently we are getting on average 400 hits a day!

Added to the school website this week:
 Costello medal winners' ceremony, Summer Carnival, Gunge the staff, Drewton Family Tree afternoon, Safer Roads Humber competition, Y1 PE afternoon, Y2 maths and much, much more....

Governing Body Meeting

This week the Full Governing Body met and discussed the following agenda:

- The Y2 and Y6 SATs results – which we are pleased with – more in the future when they are confirmed.
- The financial shortcomings of the budget which has led to us reducing General TA support in classes.
- More opportunities for Governors to be involved and included in the day to day life of Acre Heads.
- Several new children coming from other schools due to our reputation.
- A Governor Development Plan.
