- **Sandholme** – went on a class walk around Anlaby to look at our village.
- **Barmby** – have been investigating mini-beast habitats and exploring Anlaby using map skills. We all really enjoyed Mega Street Sports Day.
- **Carlton** – Leaf poems. Learned why leaves change colour. Science experiment about plants.
- **Gowdall** – Lots of experiments in Science. Finding out why leaves change colour and how water travels through a stem.
- **Drax** – writing our own Egyptian Cinderella story and then learning how to edit and improve it. In topic we have found out how society was organised in Egyptian times and researched Egyptian Pharaohs and Queens.
- **Smeaton** – written our own version of the Egyptian Cinderella. Learned about the Nile, Egyptian society and Pharaohs.
- **Hensall** – In maths considering carefully what would be the most suitable mental method to use. Listening to rock music, making comparisons and learning the lyrics.
- **Upton** – writing Greek myths. Learning about the Greek alphabet and how many English words originate from Ancient Greece.
- **Cudworth** – Using prisms to study light spectrums, learning about refraction and colour filters.
- **Hemsworth** – Our last ever class assembly. Science – refracting light.
- **Whole school** – Mega Street Sports day was a skipping, parachuting, Ultimate Frisbeeing, treasure hunting extravaganza. Mega McMillan Coffee Morning was a lovely way to spend a Friday morning, chatting, eating donated cakes and biscuits and raising money for a fantastically worthy cause.

Phew! What a 'here we go again, amazed by the generosity of the parents and carers' kind of school.
