

Acre Heads Primary School

Y3 Coding Club Tuesday Lunchtimes Starting Tuesday 14th November

October 2017

Dear Parents and Carers,

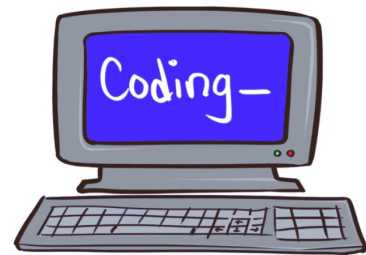

I would like to invite any Year 3 pupils interested in computer coding to join me for a lunchtime Coding Club. The club will run from 12:30pm until 1:00pm

At the club I will introduce new coding challenges to the children, and help them to create finished products such as animations and games. Most of our projects will be completed using a programme called Scratch.

There will only be twelve places for the club so the only fair way to do this is to draw replies out of a hat. If your child would like to attend Coding Club please complete and return the slip below to the school office as soon as possible.

Yours Sincerely,

Mrs L Fearn

Y3 Coding Club Tuesday Lunchtimes Starting Tuesday 14th November

Name of Child Class

I would like my child to attend the Coding Club. I understand that the places are limited and names will be drawn 'out of a hat' if necessary. I understand that if my child misbehaves then they may lose their place at the club.
