Christmas Performance 2017

Busy Busy Bethlehem

14/11/17

Dear Parents and Carers,

The Christmas performances by children in Foundation Stage will take place at the times noted below. Unfortunately due to seating limitations we can only offer a maximum of **four seats per child** but these four tickets can be requested over the two performances, they don't all have to be for the same performance. If more family members apply for seats than we can accommodate for any performance, then the ticket request will be drawn randomly to give everybody an equal chance of getting their choice. Tickets will be collected at the door for each performance and entry will not be allowed without a ticket. As in previous years, we will be asking for a donation of £1.00 per seat. If tickets are available after the initial allocation then they will also be distributed. Please make your requirements clear in the reply slip. The after school performance usually has the most demand so we would all be grateful if those people who could attend at the earlier performance would do so.

Please complete the slip below and return it to school to request your places by **Thursday 23rd November. Tickets will be distributed to the classes during the following week. The quicker we receive slips back, the quicker we can allocate tickets.**

The children work very hard on their performances and it can be very upsetting for them if the audience cannot hear. For this reason we would respectfully ask you to not bring any younger children to the performances. Other children in the school and children from local pre-schools will also be watching a special rehearsal performance so you may not want to waste your ticket on them if they've already seen it. You will see that we have put this letter out fairly early so that you can arrange sitters for your younger children. You may want to book school aged children into Tea time club.

Although you are not prohibited from photographing your own child, please remember that some parents feel very strongly about their children appearing on Social Media. If you happen to show other people's children in your photos or videos, this will break data protection and may put vulnerable children at risk. We always post safe and risk assessed photos on our school website for you to enjoy after the event, so please consider simply relaxing and enjoying the performance live as it happens. Photo flashes and errant ringtones are likely to distract your children - the stars of the show.

If there is any reason why your child cannot be at any performance please inform his or her class teacher as soon as possible so that other arrangements can be made.

Yours faithfully,

Mrs R Robinson
Headteacher
