## Educational Visit to the Build-a-Bear Workshop

Dear Parents and Carers,

As part of our work on toys this half-term we hope that your child's class will be able to go on an educational visit to the Build-a-Bear Workshop during the morning of **Wednesday 31<sup>st</sup> January 2018**

On the visit the children will be able to work together as a class to create one bear which we will bring back to school. They will choose an unstuffed animal, a sound and a heart. They will then air-shower and groom the bear, dress it, accessorise it, name it and generate a birth certificate. A truly great and rewarding inter-active experience.

This bear will be brought home several times a week by children on a rotation basis.

A parental contribution of **£4.50** is required for each child to enable this educational visit to take place. We apologise for how expensive this may appear but is due to increased coach and fuel costs. We must also have parental consent for every pupil going on the visit.

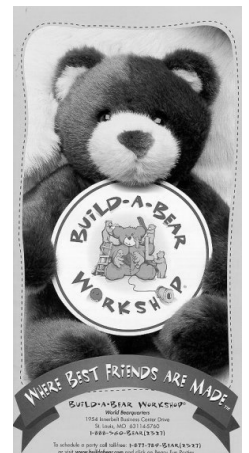

Please complete the form below and return it to school with your parental contribution in a sealed envelope, with your child's name on it by **Monday 22<sup>nd</sup> January**. If you have any problems regarding this visit or the parental contribution please do not hesitate to contact us.

If you know your child will not be at school on the day of the visit please make this clear on the reply slip below. As this is only a morning visit all children will be required to wear their school uniform.

Yours faithfully,

Mrs F. Welsh

On behalf of Foundation Stage Staff
