

This is an analysis of the performance in SATs of the Y2 and Y6 2016 / 17 children in receipt of Pupil Premium.

- Some of these children also have Special Educational Needs.
- Some of these children were known as lower attainers.
- None of these children were known as higher attainers.

Expected standards are very pleasing.

Priority for these particular children in Y3 is continuing progress in age related standards and for next year's SATs years are Higher Standards.

Results		% Expected standard in reading, writing and maths	% Higher standard in reading, writing and maths
KS1	2 children	50	0
KS2	9 children	78	0
Progress		% Expected standard in reading, writing and maths	% Higher standard in reading, writing and maths
KS1	2 children	+10%	-1%
KS2	9 children	+17%	-8%
