

Acre Heads Primary School

Dear Parents and Carers,

Sirius Academy is offering our year 5 children an opportunity to spend the day there. We will visit on Friday 22nd June and will be spending the full day there.

The children will take part in a number of different activities which will give them an understanding of what the academy offers.

It is expected that all pupils attend in their regular school uniform. As we will be walking to Sirius, the children will need to wear a rain-proof coat in case the weather is poor and suitable footwear. We will return to school for 3.30pm. Lunch will be provided by Sirius.

We are really looking forward to the day and feel that it will be a valuable experience which will enable the children to familiarise themselves with another local school.

Yours faithfully,

Mrs J Garnett & Ms Britton
